TALON

I do my thing, and you do your thing.
I am not in this world to live up to your expectations
And you are not in this world to live up to mine.
You are you and I am I,
And if by chance we find each other,
it's beautiful.

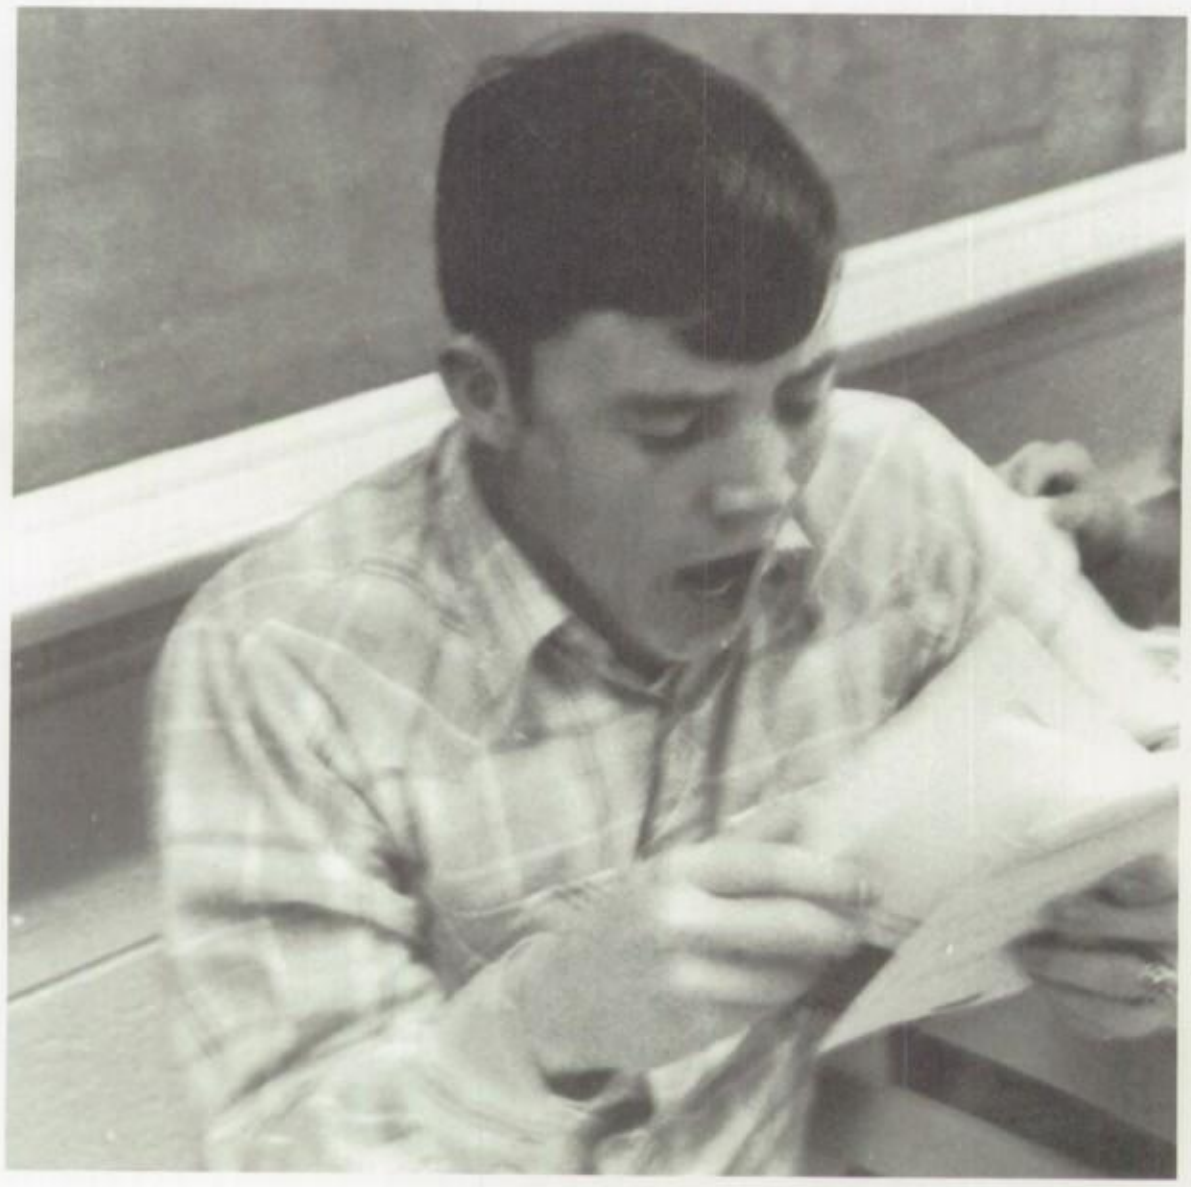
I do my thing and you do your thing . . .

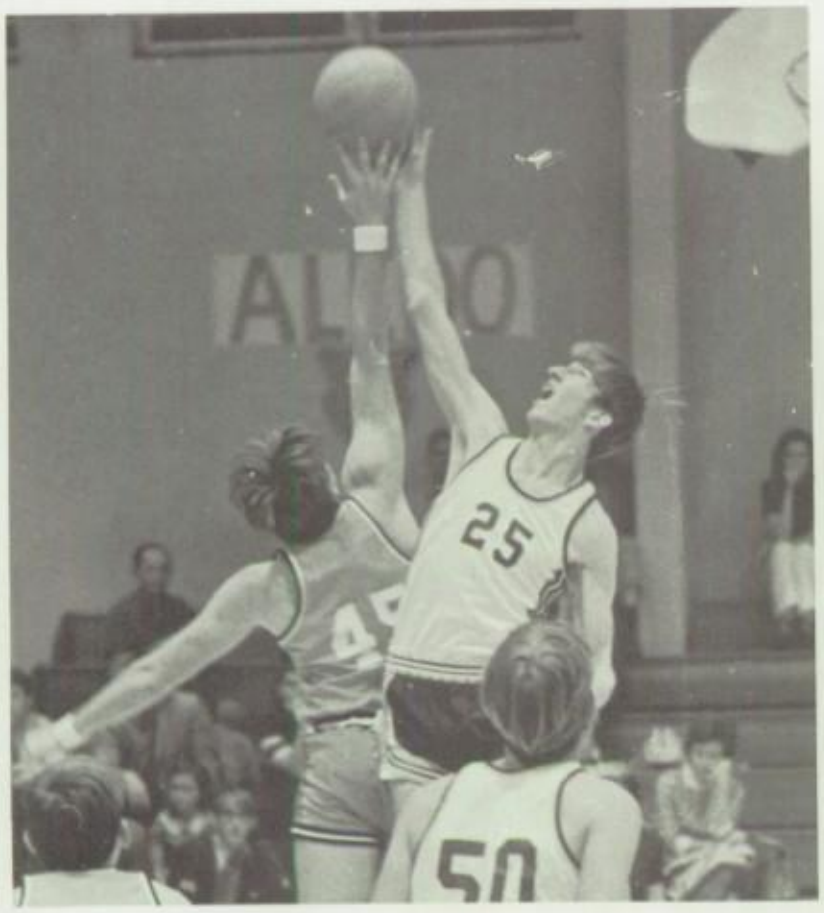
I am not in this world to live up to your expectations . . .

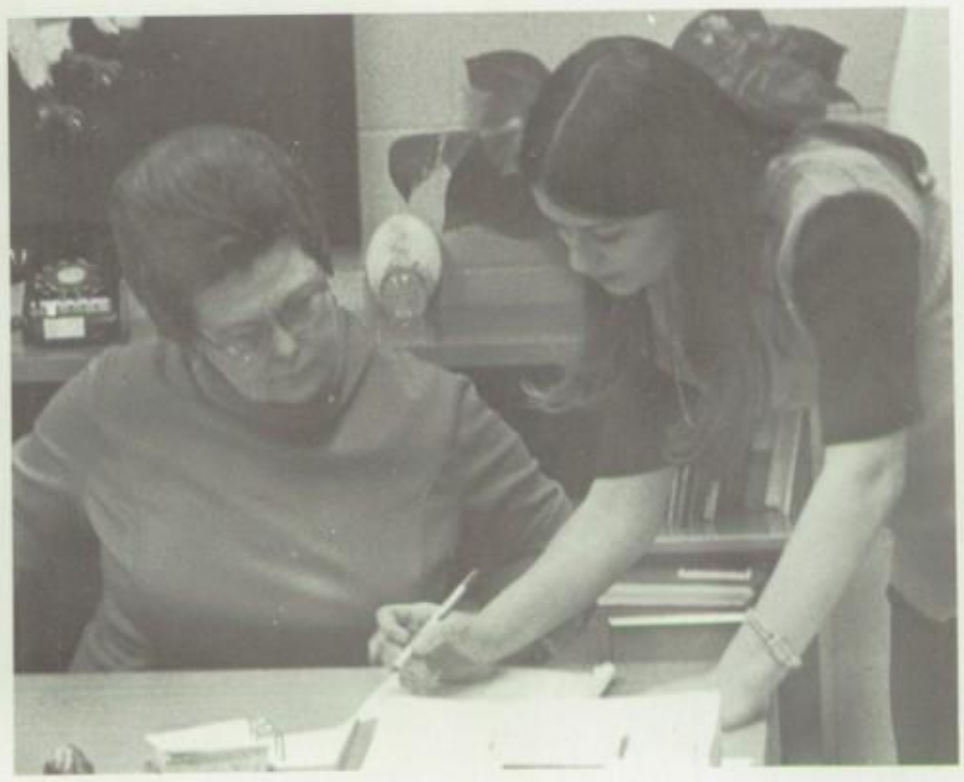
and you are not
in this world
to live up to mine . . .

You are you, and I am I . . .



And if by chance we find each other,
It's Beautiful!





As Individual As You Are . . .

The Joy You Give To Others
Is This Joy That Comes Back To You . . .

Our Friend . . .

Gary Alan Billman

I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when my day is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.
I'd like the tears of those who grieve
To dry before the sun.
Of happy memories I leave
Behind - when my day is done.

A Love Smiles From Above

Dedicated to Gary Billman

This year a friend of ours has departed
But we should be strong and not be downhearted
For imagine, if you can, the love he has now;
The love which he earned by just being himself.

The lucky, in Heaven, walk with him today -
While his loved ones on Earth still kneel and pray
It's true he has left us alone with our sorrow,
But still, for him, there comes a tomorrow.
He left in peace, without any pain
He smiles down on loved ones who still remain.
For him, have sympathy but do not grieve,
Because Gary had a wonderful reason to leave.
On Earth we keep leaders of status quo,
But the mightiest - God, calls them to go.
And help those in Heaven who need them more.

So let's be thankful that we had him when we did,
For he was too great a person for us to not share.
Once we were as lucky as those up there.

"Mean Purple Machine"

Opponents averaged about 110 yards. This is a small reason ...

Opponents' backs were trapped behind the line 10 times a game ...

and we averaged 2 interceptions a game.

"Allied Moving Offense"

The backs couldn't be brought down ...

The linemen blocked excellently ...

Even Brown ...

And the quarterback got a few yards ....

Hey! They're strong enough to bust through paper.

Tell that man in the striped shirt to HELP!

Nichols, can't you stay in bounds?

"Now Mott, we need a touchdown. Tell Bing to give Baylor the ball;" "But Baylor don't want the ball, coach!"

Now this is a line-backer's stance.

Editors Note

It's the end of another year at Crowley High; the last one for me. It is hard to express in words the meaning of this year to all of us. Through the love, joy, happiness, tears, tragedy, and faith, we have been drawn closer to each other.

I give a big "THANK YOU" to everyone on the Talon staff. It has really been great having a class to work on the Talon. A special thanks goes to Miss McCammen, who guided us in our work and helped us to gain a better understanding of Journalism.

As a Senior you come to realize that the happy times of high school will soon become only memories. To those of you who will return; Cherish these moments, make the best of them, and never lose faith in what you are called to do.

May God Bless You Always,

Jan Rightmer

Editor - 1972

Our Friend . . . Gail Jordan

There is one thing that helps me
In my sorrow and grief
To know that Gail is above
She is happier now,
She will hurt no more
And will always be remembered with Love.

I do my thing, and you do your thing.
I am not in this world to live up to your expectations
And you are not in this world to live up to mine.
You are you and I am I,
And if by chance we find each other,
it's beautiful.

Frederick S. Perls
